PRESIDENT'S REPORT

Hello all QRHA reiners,

I would like to start off thanking all of you for my new elected role as president. Tony Bryers has handed the reigns down with a very smooth transition and left the club in a good standing for the 2018 season.

I endeavor to run along side with my committee a transparent and approachable committee as my first achievement.

We are releasing a report after each meeting to inform members of discussions and decisions that are in progress or final stages.

Our board is diversified this is designed to keep everyone active and not overburdened.

Sponsorship drive is changing with incentives and club credits if any member can gain cash sponsorship. More to follow on this.

The last board voted on drug testing to keep in line with NRHA rulings, we are respecting what has been voted on and developing a plan which will be released in details over the next month for our State Show.

Club days are designed with a family environment and good sportsmanship , with BBQ and fun.

We are running a clinics throughout the year including a club show and clinic at Maryborough in July .

So I do thank all members in embracing myself and the committee for another great year of reining and thankyou for your ongoing support.

Feel free to contact any committee member for a chat. We are all approachable. I have asked my committee in our endeavor to be transparent that a phone call decision is not a final answer until it has been through the entire committee and voted on. I do please ask any questions or changes you would like to input be done via email only to keep the clarity correct.

We also ask that everyone feel comfortable in asking or volunteering any help at any of our shows.

Even if you can give us a hour or two to soften our workload would be greatly appreciated.

We are also in talks with SQRHA to run a combined high points deal. We have already received correspondence from them about this (thankyou) which will be discussed at our next meeting.

In all , we are starting off very positive and are looking forward to a great year.

QRHA High Point Awards 2017

Congratulations to our High Point Winners 2017

Beginner Rider—Ally Darville

Beginner Youth—Grace Ready

Youth 13 & under—Matilda Ready

To qualify for High Point Awards
A competitor must attend at least three QRHA Shows
Riders and Owners of horses must be members of
QRHA for points to be awarded

Points will be calculated from 1 to 6, for first 6 placings (i.e. 1st place: 6 points; 2nd place: 5 points; 3rd place: 4 points; 4th place: 3 points; 5th place: 2 points; 6th place: 1 point). Any ties will receive equal points (ie. Equal 3rd will both receive 4 points each, and 4th place will receive 3 points). For any classes with under 6 competitors, scoring will be determined by the number of horse/rider combinations in the class (ie. If there are only 4 competitors, 1st will receive 4 points). Tie breakers will be determined on who has the most number of 1st places, then 2nd places. If there is still a tie, the award will go to the horse and rider combination with the highest score.
