REPORT

Hello fellow Reiners,

I have been given the honour of writing the president's report this month. "While the cats away....!"

Firstly I would like to take this chance to congratulate our president Karen Lowe on her great job at Equitana. Just getting there is a feat in itself, but she also showed us how a non-pro can step up and mix it with the big guns. While she didn't win she certainly showed her horse "Indy" to the best of her ability and I know the rest of our club will join me in congratulating her efforts again!

Closer to home, we had our first show at the amazing QSEC facilities. While the numbers were down we really did have a great time and the atmosphere was a great reflection on the comradely of the club. It was exciting watching our members get their feet into that QSEC sand for the first time. A special "well done" to young Jared Ellis who completed his first reining pattern while at the same time his sister Jorja showed us she will be a youth to watch.

As you may or may not know the Nationals will now be held in October. This means the show calendar will be a little different than usual so keep your eye on our web page to make sure you are up to date with what is when and where. Also there is a rumour that the Southern Cross series may be bigger and better...watching this space!

On behalf of our members I would like to thank all the sponsors of our club, we really appreciate your support through out the year and we look forward to promoting *your business* in the New Year.

Finally on behalf of the committee I would like to wish our members a wonderful and safe Christmas. Rest up and come back to us next year ready to slide!

Cheers
Lee
