PRESIDENT'S REPORT

Hello and welcome again all QRHA,

QRHA have now had their first March Madness show for the year, and what a happy and successful time with lots of smiling faces was had.

Special thanks to Leanne Bartlett for once again running a Ranch Riding clinic that was hugely supported. Special thanks for those ranch riders that supported the event. For those that were on the waiting list we are endeavouring ways to fit you all in.

The show had some new features with a gold coin BBQ and cold drinks Saturday Lunch and Sunday Breakfast along side our standard complementary free feed Saturday night. We also had Oz Sholtz photography there, these guys were there in preparation for the state show. There were some great photos too.

I would like to commend my committee for supporting and going outside there normal lifestyles to achieve a very commendable show. Congratulations to the winners and placegetters.

Our first few meetings have been huge and covering some huge items. Feel free as members to view the minutes as we are running a transparent committee and your involvement and suggestions are crucial in the success of your club.

Thanks again to Kelli Reedy for taking our minutes, they are amazing and very precise.

Our next show 'April Rein' is fast approaching and thanks for our clinicians Warren Backhouse and Leanne Bartlett for putting there hand up to support this event.

We will be having the gold coin BBQ lunch on Saturday and the complimentary BBQ Saturday night.

The introduction of the high visibility vest will be implemented for all our shows, feel free to approach these people with any show issues. This is a great idea that our friendly neighbours SQRHA have used successfully.

So safe travels all and hope you are getting rides in with this weather.

Thank you all and keep sliding.

**A big Thank You to Leanne Bartlett
for conducting our March Ranch Riding clinic**

Our third Ranch Riding clinic was well attended with twelve riders eager to learn and potentially show their horses. Some even crossing over from the dark side too - not mentioning any names but rumour has it that they could be hooked! Nine riders nominated for the Beginner Ranch Riding class in the March Madness show to practice what they had learnt earlier in the day. There were some great patterns ridden and the results were really close with Tracey Forrest and Stacey Thomas claiming equal first place with a score of 68.5 and third place going to Kelsey Moyce just behind on 68 points.

I am often asked questions about the rules and judging of Ranch Riding so below I have included just some of the main points to be aware of. If you are after the full rules you can always refer to the AQHA handbook.

I look forward to seeing you all there.

Extended Lope- The extended lope is not a run or a race but should be an obvious lengthening of the stride, demonstrating a forward, working speed. The horse should display an above level topline with a bright, attentive expression

Ranch Riding Apparel and Equipment

No hoof polish.

No braided or banded manes/tails or tail extensions.

Trimming inside ears is discouraged.

Trimming bridle path is allowed, also trimming of fetlocks or excessive (long) facial hair.

Equipment with silver should not count over a good working outfit.

Excessive silver on bridles and saddles is discouraged.

It is suggested competitors use a breast collar and a rear cinch.

Ranch Riding Penalties

A contestant shall be penalized each time the following occur:

One (1) point penalties

Too slow (per gait)

Over-bridled (per manoeuvre)

Out of frame (per manoeuvre)

Break of gait at walk or trot for 2 strides or less

Three (3) point penalties

Break of gait at walk or trot for more than 2 strides

Break of gait at lope

Wrong lead or out of lead

Draped reins (per manoeuvre)

Out of lead or cross-cantering more than two strides when changing leads

Trotting more than three strides when making a simple lead change

Severe disturbance of any obstacle

Five (5) point penalties

Blatant disobedience (kick, bite, buck, rear, etc.)

for each refusal

Ten (10) point penalty

Unnatural ranch horse appearance (Horse's tail is obvious and consistently carried in an unnatural manner in every manoeuvre)

(OP) Placed below horses performing all manoeuvres

Eliminates manoeuvre

Incomplete manoeuvre

Zero (0) score

Illegal equipment including – hoof black, braided or banded manes, or tail extensions

Wilful abuse

Major disobedience or schooling

Lameness

No specific penalties will be incurred for nicks/hits on logs but deduction may be made in manoeuvre score.

No specific penalties will be incurred for over/ under spins but deduction may be made in manoeuvre score.
